Expanding knowledge about and recognition of women's contributions to architecture

Since its founding in 2002, the Beverly Willis Architecture Foundation has established a national presence in the sphere of architectural practice, pedagogy, and scholarship. Help us build, uncover, and preserved the legacy of women architects. Your donation will support:

- **Grants:** Study grants for scholars and funds for research, publication, and dissemination
- **Resources:** Developing online educational resources
- **DNA:** Creating the DNA—Dynamic National Archive of American Women Architects and allied professionals
- **Film:** "A Girl Is A Fellow Here," a 15-minute documentary about the women in Frank Lloyd Wright's Studio
